“ETHICAL OIL: THE MORAL CASE FOR CANADA'S OILSANDS”

Ethical Oil: The Moral Case for Canada's Oilsands

In Ethical Oil, best-selling author Ezra Levant turns his attention to the ethical cost of our addiction to oil. While many North Americans may be aware of the financial and environmental price we pay for a gallon of gas or a barrel of oil, Levant argues that it is time we consider ethical factors as well. All guests will receive a signed copy of this timely and provocative new book, which is sure to spark debate. This presentation is brought to you by the National Citizen's Coalition which is Canada's largest non-partisan organization for the defense and promotion of free enterprise, free speech and government that is accountable to its taxpayers. The National Citizen's Coalition. More freedom through less government.
